

Aetrex VAMC Footwear includes three lines.

The Ambulator Athletic Walker provides total protection with Hidden-Depth Rocker Sole and removable Anti-Shox Comfort orthotics. The moisture wicking, pressure absorbing foam backed fabric lining cushions and protects the foot.

ProTech Moldable Footwear provides total Plastazote protection with Hidden-Depth Rocker Sole and removable Anti-Shox Conform Orthotics. Lightweight construction for maximum comfort.

Ambulator BioMechanical Footwear is designed to limit stress at the areas of the foot most susceptible to pain. Features include Hidden-Depth Rocker Sole, removable Comfort orthotics and soft pigskin lining.
