

Silipos' new brace pads feature a 6mm thick medical grade mineral oil gel pad that soothes and protects the skin. Hook fabric backing easily adheres to the foam liner of the brace. Use on high friction areas or bony prominences to increase comfort and eliminate shearing. Available in two shapes—round or rectangular.

Shape	Dimensions	Qty	Item No.
Round	2.5" Diameter	2/Pkg	1785
Rectangular	1.75 x 2.5"	1/Pkg	31740
