LIMITED WARRANTY. This limited warranty commences on the Company’s shipment date. This limited warranty is not transferable and does not apply to experimental or research project applications. Representations, oral or written, which are inconsistent with this warranty are not authorized and, if given, should not and cannot be relied upon.

CONDITIONS. The exercise of this limited warranty is further conditioned, in part, upon the patient adequately and timely (1) reporting the claim of a defect and (2) returning the Knee to a prosthetist recognized by the Company (“Recognized Prosthetist”). The Recognized Prosthetist shall undertake, with the patient, to process that claim with the Company. Upon discovery of a possible defect, the patient shall

immediately notify the Recognized Prosthetist, and, within 30 days from discovery, shall notify the Company in writing, therein describing all current claims that the patient may have with respect to the Knee. Failure to properly give such notices shall automatically constitute full waiver of all claims and warranties by the patient and any person taking action on the patient’s behalf. If a Knee needs repair or replacement due to a defect in workmanship or materials, a Return Authorization Number (RA#) is required, which is obtained by calling the Company’s Customer Service Department at 800-728-7950 (586.294.7950). Unless otherwise specified at the time of repair or replacement, the repaired or replacement Knee will continue to be covered under this limited warranty for the remaining duration of the original warranty period. Unless otherwise specified at the time of replacement, replacement parts, not otherwise covered by this Limited Warranty, will have a 90 day limited warranty, commencing on the Company’s shipment date, subject to the same limitations as are set forth in this Limited Warranty.

This limited warranty does not apply to ordinary wear and tear. No warranty or other liability is provided or accepted by the Company including those otherwise arising for prosthetic services, such as fitting, adjusting or maintaining the Knee, or for any other acts of omission or commission by the Recognized Prosthetist or other prosthetist.

DAMAGES/LIABILITIES. No person, employee, contractor, agent, distributor, dealer or company is authorized to change, modify, or extend the terms of this limited warranty in any manner whatsoever. The Company is not liable for indirect, incidental, or consequential damages in connection with the use of the Knee.
