

# Zenith and Zenith LP K3/K4

Revolutionary maintenance-free design delivering incomparable performance.

**"Zenith is my favorite foot that I've EVER tried! It is far superior to any foot I've ever owned. Trulife knocked it out of the park with Zenith!"**

– Pete McAfee

**"My patient loved Zenith. He was getting perfect rollover, said his limb pain went down. He was able to run, walk fast. Really easy fitting."**

– Bryan Roehr (Cornerstone P&O, Edmonds, WA)

**"You always hear the phrase 'improved quality of life'. This foot has literally done that for me."**

– Pete McAfee

**NEW!**

Maintenance-free design

Lightweight aerospace composite materials for increased comfort and reduced fatigue

Urethane bumper with four resistance options at heel strike for individual patient fine-tuning

Energetic, flexible toe loading response that automatically adjusts to variable walking speeds

Full-length sandal-toe ensures superior ground compliance to facilitate a well-balanced gait

Lightweight Z-pins to deliver increased structural integrity at keel/shank merge point

*Pete McAfee*

Professional FreeRide jet skier, avid downhill skier and hiker
