

## 30-Day Loaner Program Details

*LegWorks proudly offers the All-Terrain Knee 30-Day Loaner Program, providing a hands-on opportunity to experience the All-Terrain Knee.*

### **AVAILABLE MODELS**

All-Terrain Knee Original Series models (ATK-PA-01 and ATK-SF-01) are available as standard loaner units. All-Terrain Knee Premium Series units are available by request if the patient's weight exceeds 275 lbs.

### **LOANER LOGISTICS**

Loaner units may be requested for a 30-day period. During this time, clinicians can expect follow-up from the LegWorks team to support clinical usage.

### **ADDITIONAL DETAILS**

Prior to participating in the All-Terrain Knee 30-Day Loaner Program, prosthetists will sign and adhere to the applicable guidelines outlined in the loaner agreement form.

Loaner units are not intended to function as replacements for existing equipment or for any other purpose.

### **HOW TO REQUEST A LOANER**

Clinicians or their Cascade Sales Representative may email [sales@legworks.com](mailto:sales@legworks.com) to request a loaner. LegWorks will provide a loaner agreement form to be completed by the ordering prosthetist, and upon receipt, LegWorks will provide a loaner unit with a return shipping label in the box.
